Dear Sacred Heart Family,

This weekend, we begin the month of October. October is the month set aside for the Rosary. The Rosary is a very simple but very powerful prayer. I credit my vocation to it. When I found myself discerning what to do in life, I turned to a prayer I remember my family praying together every single night while I was growing up – the Rosary. And through the intercession of Mary, I was guided to where I am today. Mary appeared to some simple children in Fatima, Portugal to impress upon them the great power of this simple prayer. Lucia, one of the children, later said, *“There is no problem, I tell you, no matter how difficult it is, that we cannot solve by the prayer of the Holy Rosary. With the Holy Rosary we will save ourselves. We will sanctify ourselves. We will console Our Lord and obtain the salvation of many souls.”*

Though simple, this Rosary can be difficult to pray. Our mind can wander, and we wonder if we have really accomplished anything. But by simply setting aside the time, each week or each day if you can, I promise you the Lord through Mary’s intercession, will do wonderful things in your life. He will work miracles! For you and for your family.

May God bless you,  
Fr. Anthony Lickteig
